

## InnovaFonds strengthens its teams with the arrival of Victoria Guégan (Lyon) and Victoire Estager (Paris) as Analysts

InnovaFonds is expanding its investment team with the arrival of Victoria Guégan and Victoire Estager as analysts to support the growth of its business, the number of investments in its portfolio and new investment vehicles.

**Victoria Guégan**, who holds a Master's degree in Finance in Business Valuation and Transfer (ETE) from the Université Lumière Lyon II, joins InnovaFonds' Lyon-based team, where she had previously worked as an intern, after an initial experience at **Incit'financement**. Victoria is involved in both **national strategies (Industry and Technology Funds & Partner Managers)** and **regional strategies (Partner Growth)**, in addition to participating in the animation of our regional entrepreneur network.

The Paris office of InnovaFonds is also strengthened with the arrival of **Victoire Estager** who joins the team after one and a half years of experience in private equity (at **Société Générale Capital Partenaires** and the Mulliez family's investment holding **Creadev**). A graduate of HEC Montreal and Paris-Dauphine University, Victoire supports InnovaFonds' investment team on **national and regional strategies**, and is involved in cross-functional issues: ESG/Impact (through InnovaFonds' ESG Committee), Industry Commission, etc.

### **About InnovaFonds:**

**InnovaFonds** is an independent management company with more than €300 million under management. It is active in majority, minority and flex transactions, with underwritings of up to €30 million. As an active shareholder alongside management and a true "sparring partner", **InnovaFonds** is involved in a financial and industrial partnership with a strong business approach. As a responsible and committed investor, InnovaFonds places value creation through growth, in favour of human capital and the energy transition, at the heart of its strategy. InnovaFonds makes its experience and networks available to its investments in order to support organic development projects while promoting external growth operations.
